

**ST. VINCENT'S MEDICAL EDUCATION**

Typical Schedules for Each Year of Training

Any Individual May Have A Slightly Different Schedule – i.e., Neurology may be done in the PGY-2 year, or a ward may be substituted for a unit month, etc.

	1	2	3	4	5	6	7	8	9	10	11	12	13
<b>Transitional Year</b>	General Medical Wards		Medical Intensive Care Unit			Pediatrics & Family Health Center	Emergency Dept	Elective	Elective	Elective	Elective	NF	Vacation
<b>PGY-1</b>	General Medical Wards				Medical Intensive Care Unit			Family Health Center	Cardio-vascular Services	Jeopardy	Elective	NF/PBLI	Vacation
<b>PGY-2</b>	General Medical Wards				Medical Intensive Care Unit		Family Health Center		Geriatrics & Emergency Dept	Elective	Elective	NF/PBLI	Vacation
<b>PGY-3</b>	General Medical Wards	Medical Intensive Care Unit	NF	Family Health Center			Geriatrics & Emergency Dept	Cardio-vascular Services	Consults	Elective			Vacation

The Categorical Internal Medicine Residency includes three years of training.

The PGY-1 schedule is the same for Categorical and Preliminary Medicine Residents.

During the in-patient ward rotations, each team of one resident and one intern is on overnight call every fourth night.

ICU rotations, interns are  
NF = Night Float

The night float resident works Sunday through Thursday. The night float intern works Monday through Friday. Each night float rotation is two weeks long.

PBLI = Practice Based Learning Improvement

\* Family Health Center (FHC) – Ambulatory rotation at the FHC.
