

**St. Vincent's Medical Education
Diagnostic Radiology Resident Rotation Calendar**

The resident rotation schedule may have slight variations allowing for elective time. During a resident's last two years, a one-month elective can be done at accredited outside facilities in areas of interest to help secure fellowship positions if requested, schedule permitting. Two months of Pediatric Radiology is obtained at Yale-New Haven Hospital. The overall total may be greater than 12 months, as some residents can be assigned to cover more than one service.

<p><u>First Year:</u></p> <ul style="list-style-type: none"> • Angiography: 1 month • Computed Tomography (CT) body: 1 month • CT Biopsy: 1 month • CT Neuroradiology: 1 month • Emergency Department (ED): 1 month • Gastrointestinal (GI): 1 month • Genitourinary (GU): 1 month • Mammography: 1 month • Magnetic Resonance Imaging (MRI): 1 month • Nuclear Medicine: 1 month • Night Float Call: 1 month • Ultrasound (US): 1 month 	<p><u>Second Year:</u></p> <ul style="list-style-type: none"> • Angiography: 2 months • CT Body: 1 month • CT Biopsy: 1 month • CT Neuroradiology: 1 month • ED: 1 month • GI: 2 months • GU: 1month • Mammography: 1 month • MRI: 1 month • Nuclear Medicine: 1 month • Night Float Call: 1 month • US: 1 month
